Trust in Jesus

Believe in the Lord Jesus, and you will be saved - Acts 16:31

Last month our verse talked about how Jesus came to save us from sin. This month our verse talks about what we need to do to be saved. It says we need to *believe* in the Lord Jesus. But what does it mean to believe in someone? It means you trust in them.

Have you ever had to trust your parents to do something for you? You needed something really badly but couldn't do anything to get it for yourself. You needed your parents to get it for you. You had to *trust* your parents. You had to believe that they would do what you needed them to do.

Can you think of examples?

- You have to trust your parents to buy you food.
- You have to trust your parents to drive you home from church.
- You have to trust your parents to...

What do we trust Jesus for?

- We trust Jesus to live a perfect life.
- We trust Jesus to take the punishment for our sins.
- We trust Jesus to rise from the dead--to defeat death.
- We trust Jesus to bring us into God's family when we believe in him.
- We trust Jesus to help us live a life that makes God happy.

So believe in Jesus and you will be saved!
