Wise - God always knows and does what is best

“With God are wisdom and might; he has counsel and understanding.” - Job 12:13

This verse reminds us that *God* knows everything and that *God* can do anything. Because *God* knows everything, he always knows what's best for his children. And because *God* can do anything, he is always able to do what is best for us. *God* is working out his wisdom in all the events of history and every event in our lives. He is constantly fitting together and working out all things to accomplish his good purposes.

Make a list of all the things you can think of that demonstrate *God's* perfect wisdom. Praise him for his wisdom. Thank him for what he has done and will do. Here are a few ideas to get you started:

- Making the sun to light the day and provide nourishment for the plants and trees
- Putting people together in families
- Making the different seasons for us to enjoy - summer, winter, spring & fall
- Giving us his word, the Bible, which tells us how to live in a way that pleases him

Because *God* is perfectly wise, he can be trusted in all the things he works out for our lives. Ask your parent or teacher to share a story from their own life where *God* was at work. What was the situation? What did *God* do? How does this experience help them to trust *God* in the future?
