

## *God Will Take You To Heaven*

In my Father's house are many rooms. If it were not so, would I have told you that I go to prepare a place for you? And if I go and prepare a place for you, I will come again and will take you to myself, that where I am you may be also. - John 14:2-3

# ***God Will Take You To Heaven***

**In my Father's house are many rooms. If it were not so, would I have told you that I go to prepare a place for you? And if I go and prepare a place for you, I will come again and will take you to myself, that where I am you may be also.**

**- John 14:2-3**

Have you ever thought about heaven? What will it be like? What will you do there?

Near the end of his life on earth, Jesus told his disciples some sad and wonderful news. He said, "I am going away. Where I am going you cannot follow me now; but you will follow me afterward." This made the disciples sad because they loved Jesus and didn't want to be separated from him. But here's the wonderful part. Jesus promised that he would come back to get them. He said he was preparing a place for them in heaven and that once everything was ready, he would come back and take them there so they could be with him forever.

If you are trusting in Jesus for the forgiveness of your sins, this promise is for you, too. Jesus is preparing a place in heaven for you, which will be more wonderful than you can imagine. Heaven is a beautiful place, filled with joy and singing. But the best part about heaven is being with Jesus. Jesus is our creator. He is King over all things, and yet we get to be with him. Just think what it will be like to see Jesus face to face, to talk with him and be in his presence. Jesus is the greatest treasure of all. So being with him is the greatest joy of all.

Are you looking forward to being with Jesus? How might this promise encourage you when you're sad or lonely? How does knowing this promise encourage you to love and serve Jesus right now? Take a minute to pray and thank Jesus for this wonderful promise, and ask him to come back soon.
